

**2. Please continue to work on your reading life.. Read daily for 30 minutes to continue all the wonderful work you did this year. Use Epic and myON and Sora (<https://teachhub.schools.nyc/>) to have access to a wide variety of books. Complete the following table.**

| Date: | Title | Pages Read | Parent Signature |
|-------|-------|------------|------------------|
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |
|       |       |            |                  |

**3. Writing:**

- **Incoming Grades 1 and 2 - Write a short story across pages (including pictures) about something you did over the summer to share with your new classmates.**
- **Incoming Grades 3 ,4, 5 - please see the assigned book and questions to be completed on looseleaf and brought in on the first day of school.**
